## PM Modi Holds Talks with Seychelles President

Victoria [Seychelles]:

Prime Minister Narendra Modi on Sunday held delegation-level talks with Seychelles President Patrick Herminie at the State House as part of his three-day State Visit to the East African island nation. The discussions were aimed at further strengthening the long-standing bilateral partnership between India and Seychelles. History The Indian delegation included External Affairs Minister S Jaishankar, National

Security Advisor Ajit Doval, Foreign Secretary Vikram Misri and Ministry of External Affairs spokesperson Randhir Jaiswal. The Seychelles delegation comprised Vice President Sebastien Pillay, Principal Minister and Minister for Fisheries, Agriculture and the Blue Economy Wallace Cosgrove, Minister for Foreign Affairs and Diaspora Barry Faure, and Minister for Finance, Economic Planning, Trade and Investment Pierre Laporte, among other senior officials.

Before the delegation-level meeting, PM Modi and President Herminie also held bilateral talks. Earlier in the day, the Prime Minister received a ceremonial Guard of Honour at the State House and took part in formal ceremonial proceedings alongside President Herminie, reflecting the close ties between the two countries. PM Modi arrived in Victoria on Saturday and was received at the airport by President Herminie, several cabinet ministers and senior officials.

The welcome ceremony featured cultural performances, including a traditional dance from Gujarat's Kutch region. The Prime Minister is visiting Seychelles from June 27 to 29 at the invitation of President Herminie and will attend the country's Golden Jubilee National Day celebrations on Monday as the Guest of Honour, marking 50 years of Seychelles' Independence. On Saturday, PM Modi also visited the Seychelles National Botanical Garden and handed over

the India-built Fast Patrol Vessel PS LESP-WAR, along with six ambulances, 10 utility vehicles and five laser-guided boats to strengthen Seychelles' maritime surveillance and Exclusive Economic Zone (EEZ) patrol capabilities. The Ministry of External Affairs said the initiative reflects the growing strategic partnership between India and Seychelles, particularly in promoting security and cooperation in the Indian Ocean Region. History

## Telangana CM dares BRS, BJP to debate on performance

Hyderabad. WAKE UP TELANGANA :

Telangana Chief Minister A. Revanth Reddy said on Sunday that the state government is ready to hold a special session of the Assembly and Legislative Council to debate the performance of the 10 years of BRS rule, the BJP's 12-year dispensation at the Centre and the two-and-a-half years of Congress government in the state. Addressing a public meeting after laying foundation stones for a slew of development projects in Nalgonda, the Chief Minister said that the government is ready to

convene special sessions of the Legislative Assembly and the Legislative Council and debate the performance of the three political parties in power. He also dared BRS and BJP to debate on their manifestos. The Chief Minister demanded that the opposition parties write a letter to the

Speaker and the Council Chairman for convening a special session. In a scathing attack on the Opposition for obstructing the Musi Rejuvenation Project, CM Revanth Reddy reaffirmed that he would complete the project. He warned that those who create hurdles for the

Musi project will be dumped in the same river. He stated that pollution from the Musi River was causing women in Nalgonda to give birth to children with eye and limb deformities. The CM launched a broadside at BRS President K. Chandrasekhar Rao and BRS leaders K.T. Rama Rao and

Harish Rao for spreading "canards" against the government. "Not a single woman was given a ministerial post during the first five-year rule of BRS, and women have not forgotten this," he said. CM Revanth Reddy ridiculed the claims by BRS leaders that they will come back to power. "How should we deal with those who listen to private phone conversations between husbands and wives? Should such a monstrous sinner return to power? Should those who amassed crores by leaking question papers return?"

Should the leaders who had the poor beaten up for demanding ration cards return to power?" he asked. The Chief Minister also questioned the opposition for not constructing houses for the poor. "KCR built a 1,000-acre farmhouse in Gajwel, KTR in Janwada, and his daughter built farmhouses in Shankarpalli. Had houses been provided over the last 10 years, 25 lakh poor people would have received homes. The BRS leaders dreamt of only 'Gadi' (feudal mansions) and farmhouses. The Congress government provided 4.5

## Congress Ignoring Palamuru Project Over Fear of KCR Credit: KTR

Vikarabad: WAKEUPTELANGANA

BRS working president KT Rama Rao on Sunday charged that the Congress government was deliberately delaying the Palamuru-Rangareddy Lift Irrigation Project (PRLIP) because it feared that BRS president K Chandrasekhar Rao would receive credit for the project. Addressing party workers in Vikarabad, Rama Rao said the previous BRS government had completed nearly 90 per cent of the PRLIP works. Had the project been completed as scheduled, nearly 10,000 acres in the Vikarabad constituency would have received irrigation water," he claimed. He also said that Congress leaders had

created hurdles for the project while in opposition by filing court cases against it, and were now neglecting it after coming to power. "All this is being done out of fear that BRS chief KCR will get the credit," he said. Rama Rao also criticised the Speaker, alleging that despite BRS MLAs switching loyalties and campaigning for the Congress while wearing party scarves, no action had been initiated against them. "The Speaker is behaving like Dhritarashtra,

### Traffic diversions announced for Saidabad elevated corridor works

Hyderabad: In view of the commencement of the Comprehensive Development of the Elevated Corridor project from Saidabad Junction to Yadagiri Theatre (LHS), the traffic police have announced major traffic diversions and alternative routes to ease congestion and ensure smooth flow of vehicles. The traffic restrictions will be in force from Sunday to July 1, 2026, during the construction period. The stretch between Saidabad Y Junction and Yadagiri Theatre (one side) will remain closed for vehicular movement during the execution of the elevated corridor works. The traffic police have also cautioned commuters to avoid the busy corridor from Nalgonda X Road to Owaisi Hospital (DMRL Junction) due to expected heavy congestion on adjoining roads.

## Telangana Must Get Its Urban Planning Right

Hyderabad Wakeuptelangana

Urbanisation may be India's future. But, it is Telangana's present. Telangana is urbanising at a pace few Indian states do. While 36 per cent of India's population lives in urban areas, Telangana has already crossed the 50 per cent mark, placing it alongside Gujarat (50.2 per cent) and ahead of Maharashtra (49.4 per cent). By 2036, nearly 58 per cent of Telangana's population is expected to reside in urban centres. History Cities around the world have struggled with the consequences of rapid urban growth. What separates suc-

cessful cities from struggling ones is not the pace of growth but the quality of planning. Hyderabad holds the potential to present a mirror to what may be 'India's tomorrow'. If Telangana gets urban planning right today, Hyderabad can become more than a successful city. It can become a model for urban India. Unlike other metropolitan regions such as Delhi, Mumbai or Kolkata, Hyderabad still has considerable room for strategic planning. Much of its future growth will occur through expanding suburban centres. This provides a rare opportunity to plan ahead and build infrastructure before congestion becomes irrevers-

ible. Telangana should focus on four priorities. First, planning must adopt a metropolitan approach that integrates Hyderabad with surrounding districts. Planning must also move from a mere spatial, two-dimensional master plan to a coordinated comprehensive master plan involving all aspects such as transport, water, sewage, waste-management and the spread of social facilities like schools, hospital etc. Singapore and Seoul present a ready reference model. Second, transport and land-use planning should be linked through transit-oriented development so that future growth follows public transport corridors rather

than unchecked sprawl. The Hyderabad Unified Metropolitan Transport Authority must be operationalised. Third, climate resilience must become a core planning principle. Extreme heat-induced shortages and outages must be planned for as carefully as heavy rain deluges, with requisite storm-water, drinking water and electricity infrastructure provided. Finally, Telangana should strengthen the high-speed connectivity to all tertiary and secondary cities such as Warangal, Karimnagar, Nizamabad and Khammam to ensure that economic opportunity is easily accessible without having to shift to overburdened urban cities.

## Hyderabad Heroes beat Mumbai Dreamers to bag HSBC Rugby Premier League title

Hyderabad: Hyderabad Heroes were crowned champions of the HSBC Rugby Premier League after defeating Mumbai Dreamers 41-17 in a thrilling final at the Gachibowli Stadium in Hyderabad on Sunday. The Dreamers dominated early possession but were unable to convert it into points as Hyderabad's disciplined defence forced crucial

turnovers. The Heroes capitalised through swift counter-attacks, with Francisco Coscul-luela's steal setting up Taitaifono Tavita before Manuel Moreno won possession to create an easy finish for Shivam Shukla. Maurice Longbottom then added a drop goal to give Hyderabad complete control heading into the break. The Heroes maintained their relentless tempo after half-time, with Tavita

again creating space on the left for Diego Ardao to score. Mumbai finally found a breakthrough as quicker ball movement released Ethan McFarland, but Hyderabad continued to punish turnovers, with Ardao grabbing his second before Kevin Wekesa finished a flowing move out wide. Terio Tamani extended the advantage early in the final quarter, while James Turner pulled one back for the

Dreamers before setting up Sukumar Hembrom late on. However, Hyderabad's clinical finishing and defensive intensity ensured they closed out a commanding victory. Meanwhile, Bengaluru Bravehearts secured third place after defeating Chennai Bulls 22-19 in an entertaining play-off encounter. Telangana Chief Minister A. Revanth Reddy, Mr Kiran Kumar Grandhi, Cor-

porate Chairman, GMR Group, Mr Chiranjeevi, film star and philanthropist, Ms P.V. Sindhu, World Champion and Olympic medalist, Ms Mrunal Thakur, acclaimed Indian actress, Mr G.B.S. Raju, Chairman, GMR Airports Ltd., and Mr Rahul Bose, President, Rugby India and League Commissioner of the Rugby Premier League, graced the prize distribution function.

## Security guard dies after falling from building in Banjara Hills

Khammam: Wakeup telangana

A security guard reportedly died after falling from a building in Banjara Hills in the early hours of Sunday. The deceased, Upendar Singh (22), a resident of Banjara Hills and a native of Haryana, worked as a security guard at a company in Gachibowli. He returned home from work on Saturday night and was later found dead on the ground. The building's watchman informed Upendar Singh's wife that he had fallen from the

seventh floor and died. Police suspect that Upendar, who was allegedly under the influence of alcohol, slipped and fell from

terrace of the building. A case has been registered, and further investigation is underway.

## Majlis Ansarullah Ijtema Concludes in Hyderabad

Hyderabad: Wakeup telangana i Hyderabad, June 28: The Elders Auxiliary Organisation (Majlis Ansarullah) of the Ahmadiyya Muslim Community, Hyderabad, successfully concluded its two-day Annual Ijtema, held on June 27 and 28, bringing together more than 200 members from across the region for a spiritually enriching programme focused on faith, service, unity, and personal development. The event witnessed the participation of Mr. Hafiz Syed Rasool Niyaz Sahib, Qaid Taleem-ul-Quran, who attended as the special representative from the Ahmadiyya Muslim Community Headquarters in Punjab. The Ijtema commenced with the recitation of the Holy Qur'an, followed by the Ansarullah pledge and inaugural remarks by office bearers. Throughout the two-day gathering, partici-

pants attended inspiring lectures and interactive sessions highlighting the importance of strengthening faith, upholding moral values, serving humanity, and fostering unity and compassion in society. The programme also featured academic competitions, educational discussions, and interactive activities designed to enhance religious knowledge, discipline, leadership, and teamwork among members. Winners of various competitions and events were honoured with prizes during the concluding session in recognition of their outstanding performances. A special prayer session was held seeking peace, prosperity, and harmony for the nation and the world. Speakers during the concluding session emphasized the need to live according to the teachings of Islam, promote righteousness, and dedicate oneself to the service of hu-

manity without discrimination. Addressing the gathering, the organisers thanked all participants, volunteers, and guests for their wholehearted cooperation, which contributed to the successful conduct of the Annual Ijtema. They reiterated Majlis Ansarullah Hyderabad's continued commitment to promoting peace, moral values, inter-community harmony, and selfless community service through its various initiatives. The two-day Annual Ijtema concluded with a silent prayer and a collective pledge by participants to continue upholding the principles of faith, righteousness, brotherhood, and humanitarian service in their daily lives. The organisers described the event as a meaningful platform for spiritual growth, learning, and strengthening bonds among members while reaffirming the Ahmadiyya Muslim Community's

United for a Polio-Free Future: Pulse Polio Awareness & Immunization Drive Held in Uppuguda

Hyderabad, June 28: Reinforcing the mission of building a Polio-Free India, a Pulse Polio Awareness and Immunization Drive was organized at Sri Nalla Pochamma Temple, Mukkera Basti, Uppuguda, Hyderabad, urging parents to ensure that every child below the age of five receives the life-saving Oral Polio Vaccine (OPV) drops. Addressing the gathering, organizers stressed that polio is a highly infectious viral disease that attacks the nervous system and can lead to permanent paralysis. As there is no cure for polio, vaccination remains the only effective safeguard. The administration of OPV drops strengthens a child's immune system and provides vital protection against the disease. Parents were educated about the National Immunization Schedule, under which children receive OPV at birth, 6 weeks, 10 weeks, 14

Revanth Reddy Should Face the People Instead of Resorting to Personal Attacks: Harish Rao

HYDERABAD Wakeup telangana

\* If you have confidence in your government, dissolve the Assembly and face the people. Let the public decide who deserves to govern Telangana. \* "Unable to fulfil six major guarantees, the Chief Minister is diverting attention through personal attacks on BRS leaders. \* "Nearly ₹29,000 crore in Rythu Bharosa remains unpaid, while farmers continue to suffer due to broken promises and delayed support. \* "The BRS made sacrifices for Telangana by resigning from office and facing imprisonment. We will continue to fight for Telangana's rights and expose the failures of the Congress government. \* Former Minister and BRS Deputy Floor Leader T. Harish Rao strongly criticised Chief Minister Revanth Reddy over his remarks

made at a public meeting in Nalgonda, accusing him of diverting public attention from his government's failures by resorting to personal attacks instead of addressing key public issues. Responding at a meeting of BRS Booth Level Agents in Siddipet, Harish Rao questioned why the Chief Minister chose to attack him personally instead of answering concerns over Telangana's rightful share in the Krishna and Godavari river waters following the recent meeting with the Chief Ministers of Karnataka and Andhra

Pradesh. He said it was unfortunate that a Chief Minister was making derogatory remarks about the physical appearance of Opposition leaders rather than focusing on governance. "Whether I am tall or short is irrelevant. What matters is our commitment to serving the people and delivering development. It is your mindset that is small, not our stature," he remarked. Harish Rao alleged that Revanth Reddy was unable to fulfil the Congress party's major electoral promises, including ₹2,500 monthly assistance to women, scooters

for women, one tola of gold, ₹4,000 pensions, two lakh government jobs and ₹15,000 Rythu Bharosa, and was therefore attempting to divert public attention by repeatedly targeting the BRS and its leadership. He said the Chief Minister's repeated attacks on BRS President K. Chandrashekar Rao, K.T. Rama Rao and himself reflected growing political insecurity. "If you truly believe your government enjoys public confidence and will remain in power until 2028 or even 2034, dissolve the Assembly today. We are prepared to ask our MLAs to resign. Let the people decide who deserves to govern Telangana," Harish Rao challenged. Rejecting the Chief Minister's claim that the BRS had become politically irrelevant, Harish Rao said the Congress itself had failed to secure the status of the principal Opposition at the national level despite being in

Dancing Tales - Panchatantra", to be staged by Guru Padma Shri Dr. Ananda Shankar Jayant, at Ravindra Bharati, on July 3rd!

Wake Up Telangana | Rangareddy District | Srirangam Venkatesh

Hyderabad, June 2026: Renowned dancer and Guru Padma Shri Dr. Ananda Shankar Jayant will present "Dancing Tales - Panchatantra", a unique dance theatre production by Shankarananda Kalakshetra, on Friday, July 3, 2026, at Ravindra Bharati, Hyderabad, from 6:45 PM onwards. This program is being presented with the support of the Ministry of Culture, Govt of India under the Scheme 'Assistance to Cultural Organisations with National Presence'. Dancing Tales - Panchatantra is choreographed and directed by Dr Ananda Shankar Jayant and is to be performed by 20 + artists from Hyderabad and Bangalore. Well known dancer Mithun Shyam from Bangalore is in the lead along with Aditi Rao Ashtaputre, and senior dancers of

A scene from "Dancing Tales - Panchatantra", a dance theatre production to be staged by Guru Padma Shri Dr. Ananda Shankar Jayant and her troupe at Ravindra Bharati on Friday, July 3.

Shankarananda Kalakshetra. Dancing Tales... Panchatantra - brings alive some of the most well-known tales from the Panchatantra, where through parable and allegory, the production talks about friendship, bravery, quick wittedness, foolishness, leadership and freedom. In this 78-minute dance-theatre production laced with humour and wit, five well known stories from the Panchatantra come alive - The smart hare that outwitted the

mighty Lion, the king of the forest; the foolish monkey who gets his tail caught in the wedge; the cranes and the tortoise, the evil crocodile and the monkey; and the escape of the doves. Music for this lyric free production is by well-known musician and composer Prema Ramamurthy, with English narration by Jayant Dworkanath layering the production. Ensure Every Vote Counts: Secunderabad Cantonment MLA Sri Ganesh Rallies

SECUNDERABAD — In a decisive push to strengthen grassroots democracy, Secunderabad Cantonment MLA Sri Ganesh has called on Booth Level Agents (BLAs) to launch a door-to-door campaign ensuring complete accuracy in the

upcoming voter rolls. The legislator was speaking at a high-level review meeting held on Saturday at the Ward 1 Pension Line Government School, organized as part of the Election Commission of India's (ECI) Special Summary Re-

vision (SSR) program. Addressing a gathering of party workers, coordinators, and booth-level representatives, MLA Sri Ganesh emphasized the absolute necessity of an error-free voter list. He directed the BLAs to visit every household within their designated zones to meticulously cross-verify the existing lists. "For democracy to be truly strengthened, every single eligible voice must be counted. Not a single valid name should be missed, and no room should be left for irregularities," the MLA

Medak woman killed as lightning strikes; son injured

HYDERABAD Wakeup telangana Lightning struck a woman, leading to her instant death at Tirumalapur in Narsapur mandal on Sunday. The

woman V. Saritha (38) was grazing her cattle on the outskirts of the village when the area witnessed rains coupled with thunderstorms. Her 12-year-old son was just a few metres away

when lightning struck her. The boy also sustained injuries due to impact. It was the third such death reported in the erstwhile Medak in the last four days. The police registered a

Jagadeeshwar Goud Participates in Pulse Polio Drive, Urges Parents to Vaccinate Children

Wake Up Telangana | Rangareddy District | Srirangam Venkatesh Hyderabad: TPCC General Secretary and Serilingampally Congress in-charge V. Jagadeeshwar Goud participated in the Pulse Polio Immunisation Programme at Aditya Nagar in Mathrusri Nagar Division, where he administered polio drops to children below five years of age along with local leaders. Speaking on the occasion, Jagadeeshwar Goud said, "A healthy childhood is the foundation of a developed nation," and stressed that every child below the age of five must receive the mandatory two drops of polio vaccine. He urged parents to actively participate in the campaign and help build a polio-free soci-

ety by ensuring every eligible child is vaccinated. The programme was attended by TPCC Labour Cell Vice President Nalla Sanjeeva Reddy, Syed Ghouse, AK Balaraj, Munaf Khan, Rahim, Ismail, Sajid, Jaffer, Akhil, Venkatesh Goud, Khaja, Naveem, Ameer, Latif, and women leaders Shashirekha, Srija Reddy, Lakshmi, Bujamma, Devi, and others. Jagadeeshwar Goud appreciated the dedicated efforts of doctors, ASHA workers, Anganwadi staff, ANMs, and other frontline health workers for their commitment to making the Pulse Polio campaign a success. He said their tireless service plays a crucial role in protecting children from preventable diseases and strengthening public

MATCHDAY 2 REPORT ONE FOOTBALL CHAMPIONSHIP HYDERABAD

Wake Up Telangana 28th June 2026 | Sportek Arena, Gandipet Organised by D5 Sports Management The second matchday of the One Football Championship Hyderabad 2026 — Junior Edition began its second week in the five-week league journey at Sportek Arena, Gandipet. With temperatures soaring to nearly 40 degrees in Hyderabad, the weather did little to affect the young footballers,

who showed incredible passion, determination and energy throughout the day. The theme of Matchday 2 was the physical aspect of the game, introducing an exciting challenge called the Notch Challenge Course, which included an agility course (without the ball), a dribbling course (with the ball), and a shooting challenge. The event brought an extra layer of excitement

beyond the matches, with every player eager to test their speed and technique. Mohammed Affan Azeem from

Sreenidhi Deccan Little Stars Academy (U12) topped the challenge this week with a remarkable time

of 24 seconds, while Revansh from Eden Academy (U10) followed closely with a time of 25 seconds, making them the standout performers of the challenge. With motivating Player of the Match awards presented after every game, the excitement and competitive spirit remained high throughout the day. Spectators, parents and coaches witnessed another thrilling weekend of grassroots football,

with every team giving their all despite the challenging conditions. The scores are as follows: U10 1. Sporthood (5), Adnan being the Player of the Match from Sporthood, beat Total Football Academy (1). 2. Conscient Sports (4), Raavin being the Player of the Match from Conscient, beat Sporthood Blue (0). 3. Eden Academy (4), Arya being the Player of

the Match from Sporthood, beat Sporthood (2). 4. Conscient Sports (3), Neil being the Player of the Match from Conscient, beat Sporthood (0). 5. Sporthood blue (9), Viaan being the Player of the Match from TOFA beat Total football academy (3). 6. Eden academy (04), Sathvik being the Player of the Match from Eden, beat Petra Sports Academy (03).

Alleged Assault, Robbery and Kidnapping Case: Complainant Seeks Immediate Police Action

Hyderabad Wakeup telangana

Habeeb Mohammed Al Aidroos\* has appealed to higher police officials for immediate action following an alleged violent attack at his residence on \*June 23, 2026. According to the complaint, unidentified accused trespassed into the house, allegedly assaulted his mother, Syeda Arifa, with iron rods, kid-

napped the family's domestic helper of 45 years, and stole cash, jewellery, a DVR, a sound system, CCTV equipment, and the family's Nishaan Mu-

barak. An FIR No. 208/2026 was registered on June 24, 2026 against Habeeb Abubaker Al Aidroos, Habeeb Umar Al Aidroos, Habeeb Ab-

dullah, Ahmed Jamalail, and Asma\* on allegations including attempted murder and robbery. The complainant says no arrests have yet been made and has requested immediate intervention by senior authorities. He also warned that legal action may be taken against anyone publishing defamatory content about the case. The matter is under police investigation.

Pulse Polio Campaign Launched in Bowenpally; 24 Centers Set Up to Ensure 100% Coverage

The mission to maintain a polio-free India gained renewed momentum today as the Cantonment Board launched its comprehensive Pulse Polio immunization drive. With the central and state governments aggressively pushing to eliminate any threat of the crippling virus, local

authorities have established dozens of specialized booths to ensure no child is left behind. The Ground Reality: Local Leaders Step Up Former Cantonment Board Vice President Jampana Pratap officially inaugurated the drive on Sunday, visiting several key vaccination centers.

Highlighting the critical nature of the initiative, Pratap emphasized that polio drops are not only completely safe and free of cost, but they are also the absolute shield protecting children from lifelong paralysis. "Every single child from birth up to the age of five must be given these polio drops compulsorily," Pratap stated during his inspection. "This is a collective responsibility to safeguard our next generation." To maximize accessibility, 24 dedicated polio drop centers have been set up across Bowenpally under

the Cantonment Board. Pratap personally visited high-traffic centers—including the Bowenpally Police Station, the local dispensary, Mahatma Nagar, and the Seven Temples areas—to monitor the administration and encourage parents. Medical Experts Clear the Air on Routine Vaccination Supervising the extensive drive, Dr. Sushma addressed a common misconception among parents regarding routine immunization schedules. She clarified that the Pulse Polio drive is an independent, critical layer of

Man Found Lying Motionless Near Dustbin Raises Public Safety Concerns in Tamaka

A man found lying motionless near a roadside dustbin under the Lalapet Bridge Road, towards Vijaya Dairy, Tamaka, on Saturday night has raised serious concerns among local residents about public safety and humanitarian care.

Katta Lingam Named President of 104th Joint Bonalu Festival Committee

Hyderabad Wakeup telangana

and extended his best wishes for the successful organisation of the 104th Bonalu celebrations. He emphasized the importance of unity, coordination, and public participation in making the festival a memorable event for devotees.

peaceful, and devotional atmosphere while ensuring the active participation of devotees and the local community. The meeting concluded with members reaffirming their commitment to preserving Hyderabad's rich cultural heritage through the successful celebration of the 104th Joint Bonalu Festival.

Pulse Polio Drive Achieves Outstanding Coverage at UPHC Abdullapurmet

Dr. Priyanka Thalka (CAS) Emphasizes Continued Immunization for a Polio-Free Future. The National Pulse Polio Immunization Programme was conducted successfully at the Urban Primary Health Centre (UPHC), Abdullapurmet, under the Ibrahimpatnam Division of Ranga Reddy District, reaffirming the Health Department's commitment to protecting every child below five years of age from poliomyelitis.

dren were administered Oral Polio Vaccine (OPV), reflecting the remarkable commitment of the healthcare system and the active participation of parents. The programme was implemented through 114 Pulse Polio Booths, supported by 3 Mobile Teams and 4 Transit Teams, ensuring that every eligible child, including those on the move, received the life-saving vaccine.

ampaign a grand success. Speaking on the occasion, Dr. Priyanka Thalka said that polio is a vaccine-preventable disease, and immunization remains the strongest shield against lifelong disability. Although India has successfully maintained its polio-free status, she emphasized that continuous vaccination drives and public awareness are essential to prevent any possible re-emergence of the virus.

Resonance Foundation Centre Grandly Launched in Adilabad by Smt. Anusha Satish Bandari, Adilabad Municipal Chairperson

Hyderabad Wakeup telangana

Adilabad, June 2026: Resonance Educational Institutions, one of India's leading institutes for IIT-JEE and NEET coaching, grandly launched its Resonance Foundation Centre in Adilabad, today at Mangalamurthy Hotels.

Adilabad. The centre was inaugurated by Smt. Anusha Satish Bandari, Adilabad Municipal Chairperson, who graced the occasion as the Chief Guest. The launch ceremony was held in the presence of students, parents, educators, well-wishers, and members of the Resonance management team.

Speaking on the occasion, Smt. Anusha Satish Bandari highlighted the importance of building a strong academic foundation from the school level itself. He said that disciplined learning, conceptual clarity, and the right guidance play a crucial role in shaping a student's

Chief Guest Smt. Anusha Satish Bandari (3rd from left), Adilabad Municipal Chairperson; & Mr. N. Purnachandra Rao (4th from left), Managing Director, Resonance Educational Institutions, Telangana & AP; flanked by faculty, is seen releasing the poster at the inauguration of Resonance Foundation Centre @ Adilabad, today at Mangalamurthy Hotels, Adilabad.

future success. He appreciated Resonance Educational Institutions for bringing quality foundation coaching to Adilabad and stated that students from Classes 6 to 10 would greatly benefit from structured academic support at an early stage. Education is the cornerstone of success, and bring-

ing an advanced foundation course within the reach of our students in a place like Adilabad is truly significant. It empowers students to prepare for the most competitive examinations without having to relocate to distant cities like Hyderabad. More importantly, it gives a larger number of students

the opportunity to aspire to and secure admission into prestigious professional institutions. The Resonance Foundation Course, introduced from Class 6 onwards, builds a strong academic base that enables students to achieve greater heights. Managing Director Shri Purnachandra Rao

159th Gnanamala Programme Pays Tribute to Dr. Ambedkar, Mahatma Phule and Gaddar

Wake Up Telangana Hyderabad

The 159th edition of the Gnanamala programme was held on Sunday with distinguished guests participating in a tribute to Dr. B.R. Ambedkar, Mahatma Jyotiba Phule, and revolutionary balladeer Gaddar. Floral garlands were offered to the portraits of the great leaders, followed by speeches highlighting

their contributions to social justice, equality, and the empowerment of marginalized communities. The programme was attended by High Court Advocate and retired BSNL employee Y. Balraj and retired Headmaster and PRTU leader Swami, who graced the event as chief guests. Addressing the gathering, they spoke about the ideals and teachings of Dr. Ambedkar, Mahatma Phule, and Gaddar, urging people, especially the younger generation, to follow their vision of equality, education, and social reform.

bedkar Youth Association, Treasurer Dappu Anand felicitated the chief guests with shawls. T.M. Krishna, representing the Committee for the Struggle for the Rights of the Oppressed, also honoured the guests in recognition of their contributions to society. During the programme, retired Tahsildar Balraj distributed 20 copies of Annihilation of Caste, originally written in English by Dr. B.R. Ambedkar and translated into Telugu by Boyi Bheemanna. He encouraged participants to read the book carefully and approach the organisers for clarification on any con-

cepts they found difficult to understand. The speakers emphasized the importance of reading Ambedkar's writings, promoting education, and strengthening social awareness among youth. They stated that the teachings of Dr. Ambedkar, Mahatma Phule, and Gaddar continue to inspire movements for equality, constitutional values, and the upliftment of the underprivileged. Among those present were C.L. Yadagiri, G. Rajaiah, C.L. Krishna, Railway Balraj, RPF Inspector Niranjani, Murthy, T. Ganesh, K. Srinivas, K. Chander, Yella-

PAC Chairman Arekapudi Gandhi Launches Pulse Polio Drive, Urges Parents to Vaccinate Children

Wakeup Telangana | Rangareddy District | Srirangam Venkatesh

Hyderabad: PAC Chairman Arekapudi Gandhi inaugurated the Pulse Polio Immunisation Programme at the Venka-

teshwara Nagar Colony Basti Dawakhana in Vivekananda Nagar Division by administering polio drops to children below five years of age. Speaking on the occasion, Gandhi said "Two drops for a healthy life" and stressed that every child from birth to five years must receive polio drops to help achieve a polio-free India. He urged parents to make use of the free and safe vaccination

programme and ensure their children receive all government-recommended immunisations. He informed that polio drops would be administered from 7:00 a.m. to 6:00 p.m. at Primary Health Centres, Anganwadi centres, schools, bus stations, and other designated booths. Health workers will also conduct door-to-door visits over the following two to three days to cover children who

miss the booth programme. Medical staff, local leaders, party workers, and residents participated in the programme. Gandhi appreciated the efforts of doctors, ANMs, ASHA workers, Anganwadi staff, and volunteers for their dedicated service in implementing the Pulse Polio campaign. He said the success of the programme depends on the active cooperation of health workers and the

Hyderabad Heroes Crowned RPL Season 2 Champions

# Leaked draft reveals immunity, property access for Trump's Gaza Board

According to The Guardian, the Board is preparing a reconstruction programme that includes operational bases and logistics hubs for an international security force expected to support efforts to disarm Hamas. Businesses considering participation in the rebuilding programme have also sought greater clarity over the legal framework governing their operations.

Property clause under scrutiny Another provision would allow the Board, the OHR and any associated international security force to use public premises and facilities in Gaza free of charge. Legal experts said the draft does not identify which authority would provide the property or the legal basis for such a transfer, raising concerns over the future use of Palestinian public assets. The White House referred questions to the Board of Peace. In a statement, the organisation denied that an operative resolution or immunity framework

matching the leaked document exists. It also rejected claims that Trump would establish or revoke immunity, saying all personnel and contractors would operate under applicable laws and oversight mechanisms, although it did not explain how those measures would function. Internal claims mechanism The draft surfaced as the Board's High Representative, Nickolay Mladenov, met Palestinian administrators in Cairo to discuss governance arrangements for Gaza. A person familiar with the discussions told The Guardian the proposed resolution had not been shared with the Palestinian representatives.

It also proposes an internal process to decide claims involving property damage, personal injury, illness or deaths linked to the Board's activities instead of relying on external courts. Lawyers who examined the document said the arrangement could limit independent judicial scrutiny

and leave questions over accountability. A leaked draft resolution proposes granting broad legal immunity to the UN-backed Board of Peace overseeing Gaza while allowing the body to use public property in the territory free of charge, according to documents obtained by The Guardian. The four-page document, marked "sensitive but unclassified", would extend immunity from arrest, detention and legal proceedings in Gaza to members of the Board, its Office of the High Representative (OHR), Palestinian technocrats selected to assist the administration, international security personnel and foreign contractors involved in governance and reconstruction. The proposal also states that any decision to waive an individual's immunity would require approval from the Board, with its chair, US President Donald Trump, authorised to initiate the process subject to majority support. Lawyers who reviewed the doc-

ument told The Guardian it remains unclear whether the proposed legal protections would apply only within Gaza or could also extend to proceedings before international courts. Human rights advocates argued that the proposed immunity and property provisions could weaken external oversight and conflict with international legal standards. About the Board of Peace The Board of Peace was established to oversee Gaza's post-war governance, reconstruction and security. Proposed by Trump in September 2025 and formally launched in January 2026, it comprises 27 member countries. Trump chairs the Board, while former UN envoy Nickolay Mladenov serves as High Representative responsible for implementing its plans in Gaza.

The UN Security Council has authorised the Board of Peace to administer Gaza until 31 December 2027. The leaked draft states that it would take

# INDEPENDENT PROBE SOUGHT FOR CUSTODIAL DEATH OF DALIT WOMAN

Andhra Pradesh: Human Rights Forum (HRF) and the Indian Federation of Trade Unions (IFTU) have demanded an independent enquiry over the alleged custodial death of a 40-year-old Dalit woman in Andhra Pradesh's Kurnool district in May this year. Mala Gangamma died on May 31 after suffering torture in the hands of the Special Investigation Team (SIT) constituted to probe the disappearance of her son, Veerendra, in November 2024. The Dalit woman had approached the Andhra Pradesh High Court seeking justice. The SIT was made on the directions of the court. It was headed by then Guntur Additional Superintendent of Police (ASP) K Supraja. According to HRF and IFTU, Gangamma was allegedly tortured and forcefully confessed that she and her partner, Malla Durgayya, murdered her son, as he reportedly opposed their relationship. HRF and IFTU stated

that the couple were subjected to third-degree torture, leading to Gangamma's death, while Durgayya continues to battle for his life at the Kurnool Government Hospital. They questioned why Gangamma's burial was conducted in the presence of 20 to 30 police personnel, and why Durgayya's relatives were disallowed from meeting him in the hospital. Apart from an independent, impartial examination, the organisations have demanded a fresh post-mortem examination of Gangamma's body, and the registration of criminal cases, including murder charges and relevant provisions of the Scheduled Castes and Scheduled Tribes (Prevention of Atrocities) Act, against police personnel found responsible. The organisations further urged the State Government to immediately suspend the officials allegedly involved pending the completion of the investigation, contending

that such action is essential to ensure a fair and transparent inquiry. They also sought adequate compensation, legal assistance, and protection for the victim's family, stressing that justice must not only be delivered but also be seen to be delivered. Expressing concern over the incident, the organisations said cases involving the custodial death of members of Scheduled Castes demand the highest level of accountability and adherence to the rule of law. They called upon the government, the police department, and the State Human Rights Commission to act swiftly and impartially, warning that any attempt to suppress facts or delay the investigation would undermine public confidence in the justice system. The organisations reaffirmed their commitment to pursuing the case through all available legal and democratic means until those responsible are held accountable. They ap-

pealed to civil society, human rights groups, and the legal fraternity to support the demand for an impartial investigation and ensure justice for Gangamma and her bereaved family. The organisations also called for the preservation of all material evidence, including CCTV footage, police station records, medical reports, and other relevant documents, to prevent any tampering during the course of the investigation. They demanded that the inquiry be completed within a stipulated timeframe and that its findings be made public to ensure transparency and accountability.

They further urged the authorities to implement stronger safeguards against custodial violence by ensuring strict compliance with legal procedures, regular human rights training for police personnel, and effective monitoring mechanisms. The organisations maintained that such measures are

# Three killed as commercial building collapses in Raichur

Wake Up Telangana |

Raichur: Three young men were killed, two on the spot, after a portion of a commercial complex collapsed near the bus stand in Devadurga town of Raichur district on Sunday, June 28. The incident occurred in a busy commercial area, triggering panic among shopkeepers and passers-by. Those who died on the spot have been identified as 27-year-old Ravikumar of Kydigera village and 26-year-old Nagaraj Kydigera. Arjun, 21, who was shifted to Raichur Institute of Medical Science (RIMS), died later. The condition of Umesh, Prabhu and Abhishek is said to be critical. According to preliminary information, the commercial

complex was functioning as usual with shops open for business when the staircase and a section of the building's wall suddenly gave way. At the time of the collapse, the four youths were walking along the road adjacent to the building and were trapped beneath the debris. Local residents and emergency responders rushed to the spot and launched rescue efforts. While two victims were pulled out dead, the injured were shifted to the hospital after receiving first aid at the scene. Deva-

durga police visited the accident site, cordoned off the area and initiated an investigation into the cause of the collapse. Officials suspect structural failure, though the exact reason will be established after a technical inspection. Devadurga MLA Karemna Nayak also visited the site, reviewed the rescue operations and sought details of the incident from police officials. She later met the bereaved families to offer condolences and visited the injured at the hospital to enquire about their condition. A case has been registered, and authorities are expected to examine whether negligence in the maintenance of the building contributed to the fatal accident. Officials said a de-

# KLH Global Business School Drives AI Dialogue Through AI Leadership Summit 2026

**Hyderabad, 28 June 2026:** KLH Global Business School successfully hosted the AI Leadership Summit 2026, bringing senior industry leaders from leading multinational corporations to explore the rapidly evolving landscape of Artificial Intelligence and AI Governance across FinTech, InsurTech, Retail Technology. Organised in collaboration with the IIT Kharagpur Alumni Association, Hyderabad Chapter, and Astravion AI, the summit served as a vibrant platform for meaningful dialogue between academia, industry, and policymakers. The summit witnessed participation from an impressive team comprising technology leaders, entrepreneurs, researchers, and

senior executives representing organizations including Deloitte Consulting, Tata Consultancy Services, Bank of America, Thoughtworks, Novartis, JP Morgan Chase, Survey of India, BHEL, TechBulls, DeepTraq AI, Optificial Labs, Tavant, KODRYX AI, Ashland, Serene Business Solutions, Aptimize Systems, KITS Warangal, University of Hyderabad, JNTU Hyderabad, and other leading institutions and enterprises. Their collective expertise provided participants with valuable perspectives on the importance of AI Governance in transforming businesses, financial services, customer experiences, and digital innovation. Speaking on the occasion, Er. Koneru

**Lakshman Havish, Vice President, KL Deemed to be University, said, "Artificial Intelligence is transforming every sector of society, creating opportunities that demand both technological excellence and responsible leadership. Through initiatives like the AI Leadership Summit 2026, we aim to**

**build stronger partnerships between academia and industry while preparing students to become innovators, entrepreneurs, and ethical AI Tech leaders capable of addressing real-world challenges. The summit emphasized that Artificial Intelligence is no longer merely a technological in-**

**novation but a strategic enabler of economic growth, educational transformation, responsible governance, and scientific advancement. Speakers consistently highlighted the importance of Responsible AI, AI Governance, human oversight, and industry-academia collaboration to ensure AI is implemented ethically, transparently, and effectively. The discussions also underscored that universities must transition from traditional teaching approaches to AI-enabled, project-based, and industry-driven education to prepare graduates for the future workforce. The distinguished speakers shared insights into AI-powered financial services, intelligent banking**

**systems, fraud detection, predictive analytics, insurance innovation, customer-centric retail technologies, enterprise AI adoption, and emerging opportunities for startups and future professionals alongside ethical and responsible governing rules and regulations. Interactive panel discussions and networking sessions encouraged knowledge exchange, industry collaboration, and exploration of practical AI applications across diverse sectors. The summit was attended by senior university leaders, including Dr. N. Venkatram, Pro Vice Chancellor; Dr. Srinath, Dean, Skilling; and Dr. Anand Bethapudi, Dean, KLH Global Business School, along with faculty members, industry**

## Former MPP Enugu Sudarshan Reddy Unveils Poster of 'Methuku'

Wakeup Telangana Medchal Malkajgiri District

The official poster of the upcoming short film "Methuku", produced under the banner of Srividya Foundation, was unveiled by former MPP Enugu Sudarshan Reddy at a special programme held on Sunday. Addressing the gathering, Sudarshan Reddy appreciated the efforts of the filmmakers and stated that meaningful short films play a vital role in creating social awareness and inspiring positive change. He wished the entire team great success and hoped the film would effectively convey its message to society. The event was attended by Dr. Srinivas, Producer of Methuku, Dr. Srinivas, Founder and Chairman of Srividya Hospital, Kotes-

wara Rao, Director of Srividya, and the cast and crew of the short film. Among those present were former Ghatkesar Municipal Councillor Kadapolla Malleesh, BJP leaders Balesh and Buchchi Reddy, hospital staff, well-wishers, and several local dignitaries, who extended their best wishes to the film team. The programme concluded on a positive note with participants expressing confidence that "Methuku" would receive appreciation for its social message and creative presentation. Speaking on the occasion, members of the film team said that "Methuku" has been produced with a strong social message aimed at creating awareness on issues affecting society. They expressed confidence that the short film would connect with audiences through its realis-

tic storytelling, compelling performances, and meaningful narrative. The makers added that the project reflects the Srividya Foundation's commitment to promoting socially relevant content through cinema. Producer Dr. Srinivas thanked all the guests and well-wishers for their encouragement and support during the poster launch. He said the appreciation received at the event has further motivated the team to deliver a quality production that not only entertains but also inspires positive change. He also acknowledged the efforts of the cast, technicians, and production crew for their dedication in bringing the project to life. The poster unveiling generated enthusiasm among attendees, who praised its creative design and expressed eagerness for the film's release. The organisers announced that the short film will be released soon on digital platforms and is expected to reach a wide audience with its thought-provoking theme. The programme concluded with a vote of thanks, followed by a group photograph of the guests, filmmakers, and supporters.

## Kalakar Telugu TV Hosts 'Natyam' Cultural Event in Hyderabad

**Vasu Hyderabad Wake Up Telangana Hyderabad, June 28, 2026: Kalakar Telugu TV successfully organized "Natyam", a vibrant cultural dance event, at Telangana Saraswatha Parishath, Abids, Hyderabad. The event witnessed enthusiastic participation from talented performers and art lovers. The program was graced by distinguished guests including Sahithi Dasym (DS Glam Mrs India 2026), Neha Devakathe (High Court Advocate, Telangana), Himayat Hussain (High Court Advocate, Telangana), and Kamri Krishna Garu. The guests appreciated the performers and encouraged the promotion of art and culture. The event concluded on a grand note with captivating dance performances. The cultural programme showcased a wide range of dance performances by participants of different age groups, reflecting the richness and diversity of Indian art and tradition. Classical, folk, and contemporary dance forms captivated the audience, earning loud applause and appreciation for the performers' talent, dedication, and stage presence.**

**As part of the event, outstanding performers were felicitated with certificates and mementoes in recognition of their exceptional performances. Parents, teachers, and art enthusiasts appreciated the organisers for conducting the programme in a professional manner and creating an inspiring environment for aspiring dancers. The organisers expressed gratitude to the guests, participants, sponsors, volunteers, and audience members for making "Natyam" a grand success. They reaffirmed their commitment to organising more cultural events in the future to nurture young talent and promote the rich artistic traditions of Telangana and India. The event also served as a platform for fostering cultural exchange and encouraging young performers to pursue excellence in the performing arts. Several dance academies and instructors participated in the programme, highlighting the growing enthusiasm for dance and cultural education among the younger generation. Organisers said that "Natyam" was conceived with the objective of celebrating artistic expression while inspiring confidence, discipline, and creativity among aspiring dancers. They noted that such programmes not only provide exposure to emerging talent but also help preserve India's rich cultural legacy by encouraging the younger generation to stay connected with traditional art forms.**

Addressing the gathering, the chief guests emphasized the importance of preserving cultural heritage and providing platforms for young artists to showcase their skills. They lauded Kalakar Telugu TV for consistently encouraging budding talent and promoting artistic excellence through such cultural initiatives.

## Pulse Polio Campaign Launched - pally; 24 Centers Set Up to E

**Hyderabad:** Wakeup telangana

The mission to maintain a polio-free India gained renewed momentum today as the Cantonment Board launched its comprehensive Pulse Polio immunization drive. With the central and state governments aggressively pushing to eliminate any threat of the crippling virus, local authorities have estab-

lished dozens of specialized booths to ensure no child is left behind. The Ground Reality: Local Leaders Step Up Former Cantonment Board Vice President Jampana Pratap officially inaugurated the drive on Sunday, visiting several key vaccination centers. Highlighting the critical nature of the initiative, Pratap emphasized that polio drops are not only completely

safe and free of cost, but they are also the absolute shield protecting children from lifelong paralysis. "Every single child from birth up to the

age of five must be given these polio drops compulsorily," Pratap stated during his inspection. "This is a collective responsibility to

safeguard our next generation." To maximize accessibility, 24 dedicated polio drop centers have been set up across Bowenpally under the Cantonment Board. Pratap personally visited high-traffic centers—including the Bowenpally Police Station, the local dispensary, Mahatma Nagar, and the Seven Tomples areas—to monitor the administra-

# TG20 Ranga Reddy Risers Press Release

Hyderabad  
Wake Up Telangana

Aryan Cariappa, Avnish Rao star as Ranga Reddy Risers outclass Palamuru Strikers Hyderabad, June 28 2026: Ranga Reddy Risers produced a clinical all-round display to defeat Palamuru Strikers by six wickets in the second match of the day at the Hyderabad Cricket Association's Sreenidhi University TG20 on Friday. Aryan Cariappa's four-wicket haul set up the victory before Avnish Rao and Ghana Prakash Reddy capped it with the bat. Please find the match images here: [https://drive.google.com/drive/folders/1JTLZ4fc436ZDh\\_N\\_VDEf1tTOIJS2cu-w](https://drive.google.com/drive/folders/1JTLZ4fc436ZDh_N_VDEf1tTOIJS2cu-w) It was a sticky start to the innings for the Strikers, who lost two wickets in as

many overs to leave them reeling at 2/2. B Punnaiah struck first by removing Tanay Thyagarajann dismissed Pragnay Reddy (1 off 3) in the following over. Vignesh Reddy then attempted to rebuild alongside Rohit Rayudu, counterattacking with a six and a four to lift the score to 26/2 after five overs. Just when the innings appeared to be stabilising, Aryan Cariappa delivered another breakthrough by dismissing Rohit Rayudu (7 off 12), reducing the Strikers to 31/3 at the end of the powerplay. Shadab Ahmed (22 off 15) joined Vignesh Reddy and the pair added useful runs through the middle overs, taking the score to 63/4 after 10 overs despite N Rakesh removing Shadab. Vignesh continued to anchor the innings while

Pratheek Pawar (14 off 12) provided brief support. The batting stumbled in the 15th over when Cariappa ripped through the middle order. After Pratheek struck a boundary, Cariappa dismissed him on the very next ball before trapping Afreedi Ahmed (0 off 1) to complete a double strike in the over. The twin blows left the Strikers reeling at 98/6 after 15 overs, with Vignesh Reddy still at the crease but running out of partners and time. Strikers' innings folded quickly after Tanay dismissed the well-set Vignesh in the 16th over. A brief flourish from Rishab Baslas (8 off 7) and Rathan Teja (15 off 9) was cut short by Punnaiah and Cariappa. With nine wickets down, the drama intensified as Aryan Cariappa's sharp bouncer struck Ravi Kiran on the helmet, forcing

## Legends and Next-Gen icons spark record-breaking spree at World Cup

Mumbai:  
WAKE UP TELANGANA

Mumbai: As the FIFA World Cup 2026 group stage comes to an end and the tournament moves into the Round of 32, the biggest football spectacle on the planet has already delivered unforgettable moments, record-breaking performances, and stories that define the magic of the World Cup. The tournament began with the spotlight firmly on football's biggest names, Lionel Messi, Cristiano Ronaldo,

Kylian Mbappe, and Erling Haaland, and none of them have disappointed. The legends have continued to create history, while the new generation has shown that it is ready to carry the sport forward. For Messi and Ronaldo, what could be their final World Cup appearance has turned into another remarkable chapter in their extraordinary careers. At 39 and 41, respectively, both superstars have shown that their hunger to compete at the highest level remains as strong as ever. Messi has continued to rewrite World Cup history. The Argentine captain has taken his tournament tally to 19 World Cup goals, becoming the highest goalscorer in FIFA World Cup his-

tory. His performances have once again highlighted his ability to deliver when the stakes are highest, adding more milestones to one of the greatest careers football has ever witnessed. Ronaldo has also continued to break new ground. The Portuguese captain has now scored 10 World Cup goals and has become the first male player to score in six different World Cup editions. Even at 41, his presence, mentality, and goalscoring instinct remain central to Portugal's ambitions. While the legends continue to dominate, the next generation has made its own statement. Kylian Mbappé has further strengthened his World Cup legacy.

## FIFA World Cup 2026: 8 Best Third-Placed Teams To Reach Round of 32

Wake Up Telangana

FIFA expanded the World Cup to 48 teams from this edition, and as in previous tournaments, the top two teams from each of the 12 groups automatically qualify for the Round of 32. Additionally, the eight best third-placed teams across all groups also advance to complete the knockout bracket. Following the completion of the group stage on Sunday, the final list of the eight best third-placed

teams advancing to the FIFA World Cup 2026 Round of 32 was confirmed. DR Congo topped the ranking of third-placed teams with four points and a goal difference of +1 after finishing third in Group K. Sweden (Group F), Ghana (Group L), Ecuador (Group E), Bosnia and Herzegovina (Group B), Algeria (Group J), and Paraguay (Group D) also progressed after each collected four points during the group stage. Algeria booked its place in

the Round of 32 after a thrilling 3-3 draw with Austria in its final Group J match on Sunday, which featured two stoppage-time goals. Senegal secured the final qualification spot despite earning just three points. The African side edged into the knockout rounds thanks to a superior goal difference over the remaining third-placed teams. Third-Placed Teams Qualified for the Round of 32 1. DR Congo (Group K) - 4 points, goal difference - +1 2. Sweden (Group F) - 4 points, goal difference - 0 3. Ghana (Group L) - 4 points, goal difference - 0 4. Ecuador (Group E) - 4 points, goal difference - 0 5. Bosnia and Herzegovina (Group B) - 4 points, goal difference - -1 6. Algeria (Group J) - 4 points, goal difference - -2

7. Paraguay (Group D) - 4 points, goal difference - -2 8. Senegal (Group I) - 3 points, goal difference - +2 Four third-placed teams have missed on the knockout stage: Iran (Group G, 3 points, -3 goal difference) South Korea (Group A, 3 points, -1 goal difference) Scotland (Group C, 3 points, -3 goal difference) Uruguay (Group H, 2 points, -1 goal difference) You can add the following paragraphs after your article: The Round of 32 promises several exciting contests as the qualified third-placed teams now join the 24 teams that finished first and second in their respective groups. With the knockout stage set to begin, every match will be played on a winner-takes-all basis, where any defeat will result in elimination from

the tournament.

The expanded 48-team format has increased opportunities for nations to progress beyond the group stage, making the competition more competitive and unpredictable. Several teams that narrowly missed automatic qualification managed to keep their World Cup dreams alive by securing one of the eight best third-placed spots. Football fans around the world are eagerly awaiting the knockout fixtures, which are expected to feature intense rivalries, dramatic upsets and high-quality football as teams battle for a place in the Round of 16. The race for the FIFA World Cup 2026 title now enters its most crucial phase, with every team aiming to stay alive in the quest to lift football's biggest

## SRK Recalls Fan Mistaking Him for Akshay

Mumbai: Shah Rukh Khan is one of the most well-known Indian celebrities across the globe. But did you know that he was also once mistaken for another Bollywood actor. During his appearance on filmmaker Sajid Khan's talk show "Yaaron Ki Baraat", King Khan shared a hilarious and awkward encounter with a fan. SRK shared that during the shoot of his movie "Pardes" he was returning from New York and was in a lot of hurry to reach home as unfortunately his wife, Gauri Khan, had suffered a miscarriage. I was running in a hurry, and amidst all this, the handle of my bag also broke. I was absolutely con-

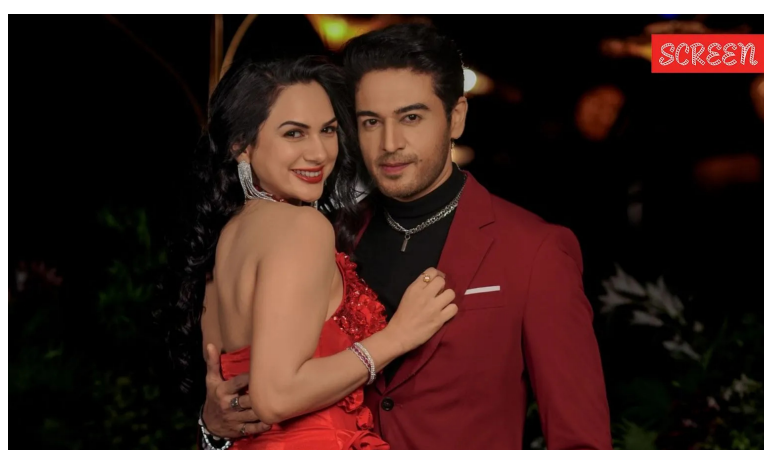

fused. Shah Rukh recalled that a lady was running after him at the terminal. Please one photograph, one autograph". While SRK got upset as he was in a hurry, once he had checked in, he finally called the lady. I am a big fan of yours", she screamed. its okay mam", SRK replied. However, what she said next, left the King Khan both confused and embarrassed. Offf, Akshay I love you". She has mistaken him for Akshay Kumar. On the professional front, up next, Shah Rukh will soon be seen in the highly talked about drama "King", which is being made under the direction of Siddharth Anand. In January this year, the makers confirmed that "King" will "roar" in the theatres on December 24, 2026. The gripping announcement video opened with the bold title 'ROAR' set against a dramatic backdrop. After this comes an impactful line, "This Christmas, fear wears the crown," pointing towards the film's larger-than-life scale. On Shah Rukh's 60th birthday in November last year, the makers of "King" revealed the title video featuring SRK as a ruthless mercenary who has even lost count of how many people he has killed, and doesn't even know if they were good or bad. Shah Rukh Khan recalled a humorous incident from his Pardes days when a fan mistook him for Akshay Kumar at an airport despite asking for his autograph. The

## Rakesh Jaiswal to Lead Jambagh BJP Karyakartas to Booth Adhyaksh Sammelan

HYDERABAD  
Wake up telangana

Former Jambagh Corporator Rakesh Jaiswal, along with a large number of BJP karyakartas from the Jambagh division, will participate in the Booth Adhyaksh Sammelan to be held at the Nampally Exhibition Grounds in Hyderabad. The programme will be addressed by BJP Na-

tional General Secretary and Telangana State In-charge Nitin Nabin. The meeting is expected to witness the participation of booth presidents, party office-bearers, and grassroots workers from across Telangana. The Sammelan aims to strengthen the BJP's booth-level organisational structure and prepare party workers for the upcoming elec-

tions through better coordination and grassroots outreach. Speaking ahead of the event, Rakesh Jaiswal said the Booth Adhyaksh Sammelan would motivate party workers and further reinforce the BJP's commitment to expanding its organisational base in Telangana. He expressed confidence that the guidance of Nitin Nabin would inspire booth-level leaders to work with greater dedication and strengthen the party at the grassroots. Jaiswal appealed to BJP karyakartas from the Jambagh division to attend the programme in large numbers and contribute to making the event a grand success. He said the meeting would provide an opportunity for workers to interact with senior party leaders and gain direction for future organisational activities. Party leaders said the Booth Adhyaksh Sammelan will also serve as a platform to honour the dedication and hard work of booth-level functionaries, who play a crucial role in connecting the party with the people. The leadership is expected to stress the importance of maintaining regular contact with voters, addressing local civic issues, and ensuring that the party remains actively en-

## Senior Journalist Sets Example by Vaccinating Grandson During Pulse Polio Drive

**Two Drops Today, A Lifetime of Protection Tomorrow Senior Journalist Thalka Laxman Sets an Example by Ensuring Pulse Polio Vaccination for His Grandson**  
The National Pulse Polio Immunization Programme was observed across the Jangaon Assembly Constituency on Sunday with the administration launching an extensive drive to administer polio drops to all children below five years of age. Local MLA, public representatives, political leaders, Health Department officials, doctors and frontline health workers participated in the campaign, en-

couraging parents to ensure that no eligible child was left out. As part of the programme, Mr. Thalka Laxman, a socially responsible citizen from Ambedkar Nagar, former CEO of Mahila Max, member of the Telangana Journalists and Reporters Association (TJRA), and a senior journalist, brought his grandson, who is below five years of age, to the Pulse Polio Booth at Ambedkar Nagar and ensured that the child received the life-saving polio vaccine. Speaking on the occasion, Mr. Laxman stressed that lack of awareness, limited access to healthcare and negli-

gence in earlier decades had resulted in thousands of children suffering from permanent disability due to polio. Recalling a deeply personal family experience, he said that his close relative, Mr. Dara Narsaiah of Kolluru village in Aleru Mandal, contracted polio during childhood, leaving both his legs permanently affected. Despite this severe physical disability, Mr. Narsaiah displayed remarkable determination by continuing his education, pursuing agriculture and later securing employment in Canara Bank under the Government's employment quota for persons with dis-

abilities. Mr. Laxman emotionally recalled that although his relative's real name was Dara Narsaiah, most people in the village referred to him as "Kunti Mama" or "Kunti Tata." He admitted that, as children, even family members unknowingly used those names without understanding the emotional pain they caused.

## Senior Panchayat Raj Engineer Er. G.J.V.N. Prakash to be Felicitated on Superannuation

Hyderabad:  
Wake Up Telangana

The Telangana Panchayat Raj Engineering fraternity is set to accord a grand farewell to Er. G.J.V.N. Prakash, Chief Engineer, Vigilance & Quality Control (Panchayat Raj), who will retire from government service on June 30, 2026, upon attaining the age of superannuation after an illustrious career spanning 37 years. Er. Prakash has served the Panchayat Raj Engineering Department with distinction across various cadres, earning recognition for his professional excellence, integrity, and unwavering commitment to quality and public service. Throughout his career, he has made significant contributions to the planning, execution, monitoring, and quality assurance of rural infrastructure development works in Telangana. To honour his remarkable service and invaluable contribution to the department, a Retirement Felicitating Meeting has been organized on Tuesday, June 30, 2026, at 2:00 PM in the Conference Hall, Office of the Engineer-in-Chief (EN), Hyderabad. The event is being jointly organized by the Telangana Panchayat Raj Engineers Association and the State Vigilance & Quality Control Wing. Senior officials, engineers, retired officers, and staff members from across the department are ex-

pected to participate and extend their heartfelt appreciation and best wishes to the retiring Chief Engineer. The organizers have cordially invited all officers and staff members of the department to attend the felicitation programme in large numbers and make the occasion memorable by celebrating the outstanding career and dedicated public service of Er. G.J.V.N. Prakash. Senior Panchayat Raj Engineer Er. G.J.V.N. Prakash to be Felicitated on Superannuation. The felicitation programme is expected to be a memorable gathering celebrating the remarkable professional journey of Er. G.J.V.N. Prakash, who is widely respected for his administrative efficiency, technical expertise, and commitment to maintaining high standards in public infrastructure projects. During his tenure, he played a crucial role in strengthening quality control mechanisms and ensuring transparency in the execution of Panchayat Raj engineering works across the state. Colleagues and fellow engineers have lauded his exemplary leadership, disciplined work ethic, and approachable nature, stating that his guidance has inspired several generations of engineers in the department. His contributions towards improving rural infrastructure, promoting engineering excellence, and ensuring the timely completion of development

## Food Safety Raids Uncover Hygiene Violations in Gachibowli, Hitech City & Kondapur

Wake Up Telangana  
Rangareddy District Srirangam Venkatesh

Food Safety officials conducted surprise inspections at several restaurants across Hyderabad's IT corridor, including Gachibowli,

Hitech City, Madhapur, and Kondapur, uncovering serious food safety and hygiene violations. At Shah Ghouse Restaurant in Gachibowli, officials found flies in the kitchen, open drains, unlabeled food

items, and staff without medical fitness certificates. The restaurant received a 65% hygiene score and was issued an improvement notice. At Ideal Kitchen in Madhapur, inspectors detected cockroaches in stored flour, worms in black gram, and poor raw material storage practices. The establishment received a 67% hygiene rating and was also served an improvement notice. At Palamuru Grill in Kondapur, officials found tampered food labels, expired mushrooms, rusty freezers,

and unhygienic kitchen conditions with flies. The restaurant scored 60% in the hygiene assessment, and stale food items were discarded on the spot. Food Safety officials warned that strict action will be taken against establishments that fail to comply with food safety and hygiene standards. Officials said the inspections are part of an ongoing drive to ensure that restaurants and food establishments adhere to the standards prescribed under the Food Safety and Standards Act.

## Negligence in GHMC Road Works Raises Safety Concerns After Midnight Accident in Tarnaka.

Hyderabad:  
Wake Up Telangana

A midnight accident involving a damaged SUV at Capol Bone Setting Road, Tarnaka, has exposed serious safety concerns surrounding the ongoing GHMC road works, with residents alleging negligence on the part of both the contractor and supervising authorities. The road has reportedly remained excavated and unfinished for nearly a month as part of CC road construction. Residents alleged that despite the hazardous condition, no warning signs, caution boards, reflective barricades, blinkers, or adequate public safety arrangements have been provided at the work site. Capol bone setting centre is very famous for treatment daily

during the execution of the project. They alleged that the contractor failed to implement mandatory precautionary measures and that field engineers did not conduct proper inspections to ensure compliance with safety norms. Residents further stated that higher officials have rarely visited the work site, allowing the project to continue without adequate supervision. They warned that such negligence could result in even more serious accidents involving pedestrians, two-wheelers, school children, and emergency ve-

## Midnight Drunken Rash Driving Sparks Panic in Tarnaka; Residents

HYDERABAD  
Wake up telangana

A terrifying incident of alleged drunken and rash driving during the midnight hours of Saturday (June 27) sent shockwaves through Siddharth Nagar, Gokul Nagar Colony, and the Capol Bone Setting center Road area in Tarnaka. Residents, awakened by deafening crash sounds and screams, rushed out of their homes fearing a major tragedy. According to eyewitnesses, a speeding SUV, reportedly involved in an earlier accident elsewhere in the city, entered the narrow residential lanes while allegedly attempting to escape from people chasing it. The vehicle was driven recklessly

through the colony, damaging an apartment gate and other property before reaching the ongoing GHMC road work near Capol. The vehicle eventually came to a halt after striking the edge of the excavated road, sustaining extensive damage to its front bumper, bonnet, left-side body panels, and rear windshield. Broken vehicle parts were scattered across the road as frightened residents gathered at the scene. Residents stated that the loud impact created panic throughout the neighbourhood, with many families rushing outside in fear. Some people reportedly shouted for help, believing a serious accident had occurred. The incident has once again highlighted the growing menace of drunken driving and reckless speeding during late-night hours in residential areas. Locals expressed concern over the apparent absence of regular night police patrolling, saying timely intervention could have prevented such incidents. Residents also com-

plained about persistent public nuisance beneath the Lalapet Bridge Road, where groups allegedly consume alcohol openly, urinate beside apartment gates, and create disturbances. Women, children, and senior citizens are reportedly facing continuous inconvenience and insecurity. Residents Demand: Immediate night police patrolling in Siddharth Nagar, Gokul Nagar Colony, and surrounding areas. Strict legal action against drunken and rash driving. Installation of CCTV surveillance and speed-control measures. Strong action against public drinking, public urination, and abusive behaviour. Better protection for women, children, and senior citizens. Local residents have appealed to the Director General of Police (DGP), Hyderabad City Police, and Traffic Police to intensify enforcement against drunken driving and ensure regular police patrols before another serious tragedy occurs.

## Every Child Counts: Telangana Intensifies Pulse Polio Drive to Safeguard the Future.

Wake up Telangana

Hyderabad June 28: Reaffirming its commitment to protecting every child from the threat of polio, the Telangana Government on Sunday launched the Statewide Pulse Polio Immunization Drive at the Urban Primary Health Centre, Borabanda, Hyderabad. The programme was formally inaugurated by Hon'ble Health Minister Sri Damodar Rajanarsimha, who administered the first two life-saving polio drops to children, marking the beginning of the statewide campaign. The event was attended by Hon'ble Ministers Sri Ponnam Prabhakar and Sri Adhuri Laxman Kumar, along with Jubilee Hills MLA Sri Naveen Yadav, senior officials of the Health Department, medical officers, frontline health workers, and parents. Addressing the gathering, the Health Minister stressed that every child below five years of age must receive the two oral polio drops, irrespective of previous vaccination history. He urged parents and guardians to visit the nearest Pulse Polio booth and ensure that no child is left behind. Importance of Pulse Polio Pulse Polio Immunization is one of the world's most successful public health initiatives. Although India was declared polio-free in 2014, the continued administration of oral polio vaccine remains essential to prevent the re-emergence of the disease and to safeguard future generations. Polio is a highly contagious viral disease that primarily affects children under five years of age. The virus attacks the nervous system and can lead to: Permanent

paralysis of the legs or arms. Lifelong physical disability. Severe breathing complications in advanced cases. Death in rare but serious infections. There is no cure for polio, making vaccination the only effective protection against the disease. Government's Commitment The Telangana Government has deployed extensive health infrastructure, including Pulse Polio booths, mobile vaccination teams, transit teams at bus stations and railway stations, and door-to-door follow-up visits to ensure that every eligible child receives the vaccine. Health officials appealed to parents not to ignore the campaign, emphasizing that just two drops can protect a child for life and contribute to maintaining Telangana's and India's hard-earned polio-free status. The government also appreciated the dedicated efforts of doctors, nurses, ASHA workers, ANMs, Anganwadi workers, and volunteers who are working tirelessly to make the campaign a grand success. "Every child deserves protection. Every drop matters. Together, let us keep Telangana and India polio-free for generations to come."
